Met in joint session

By a minute of the last Yearly Meeting we are informed that the Meetings which have been known as Meetings of Ministers and Elders, are henceforth to be constituted as hereafter mentioned under the designation of "Meetings on Ministry and Oversight." Recorded Ministers and appointed Elders are members of such Meetings.

There should also be appointed in each Monthly Meeting, other suitable friends for members of the Meetings, who may be considered ^{helpful} to prove helpful and to be themselves helped by association therewith.

It being important that these Meetings should consist - as far as practicable of individuals of varied ages, gifts and qualifications, care should be taken in making appointments in connection therewith, not to limit the selection to persons in later life; those being appointed who, whether younger or older give evidence of love to Christ and of attachment to the principles we profess. The names of those are to be brought forward as in the case of the appointment of Elders, and the list shall be revised at least once in two years. They shall be in all respects members of the Meeting on Ministry & Oversight but they are not thereby to be considered as having liberty to travel as Ministers. This appointment does not prevent them from being recognized as Ministers or Elders if at any time their gift may seem to warrant such proceedings. It is therefore recommended that our

Monthly Meetings give early attention to these appointments as contemplated by the Minutes of the Yearly Meeting. By Minute-29 of the late Yearly Meeting the Monthly Meetings are requested to appoint Committees to assist in raising the necessary additional funds to carry on our Mission work on Mt. Lebanon, Syria.

Our business being accomplished, we would thankfully acknowledge that the Lord has been very graciously with us at this time, crowning this gathering with His blessing. And conclude, purposing to meet at North-Sandwich N.H. at the usual time in tenth Month next.
